Empathy Map

This document is one of the most important ones. Everything should revolve around the **bank/financial institution** and the **credit card applicant**.

SAYS - I need my credit card application to be approved quickly. - I want a fair evaluation based on my financial profile. - I expect a simple and transparent application process.	THINKS - Will my application be approved? - Do I meet the bank's eligibility requirements? - Is my personal and financial information secure?
PERSONA NAME Credit Card Applicant	
DOES - Completes the credit card application form. - Submits personal, employment and income details. - Waits for the bank's approval decision.	FEELS - Hopeful about getting approved. - Anxious while waiting for the result. - Happy if the process is quick and accurate.
